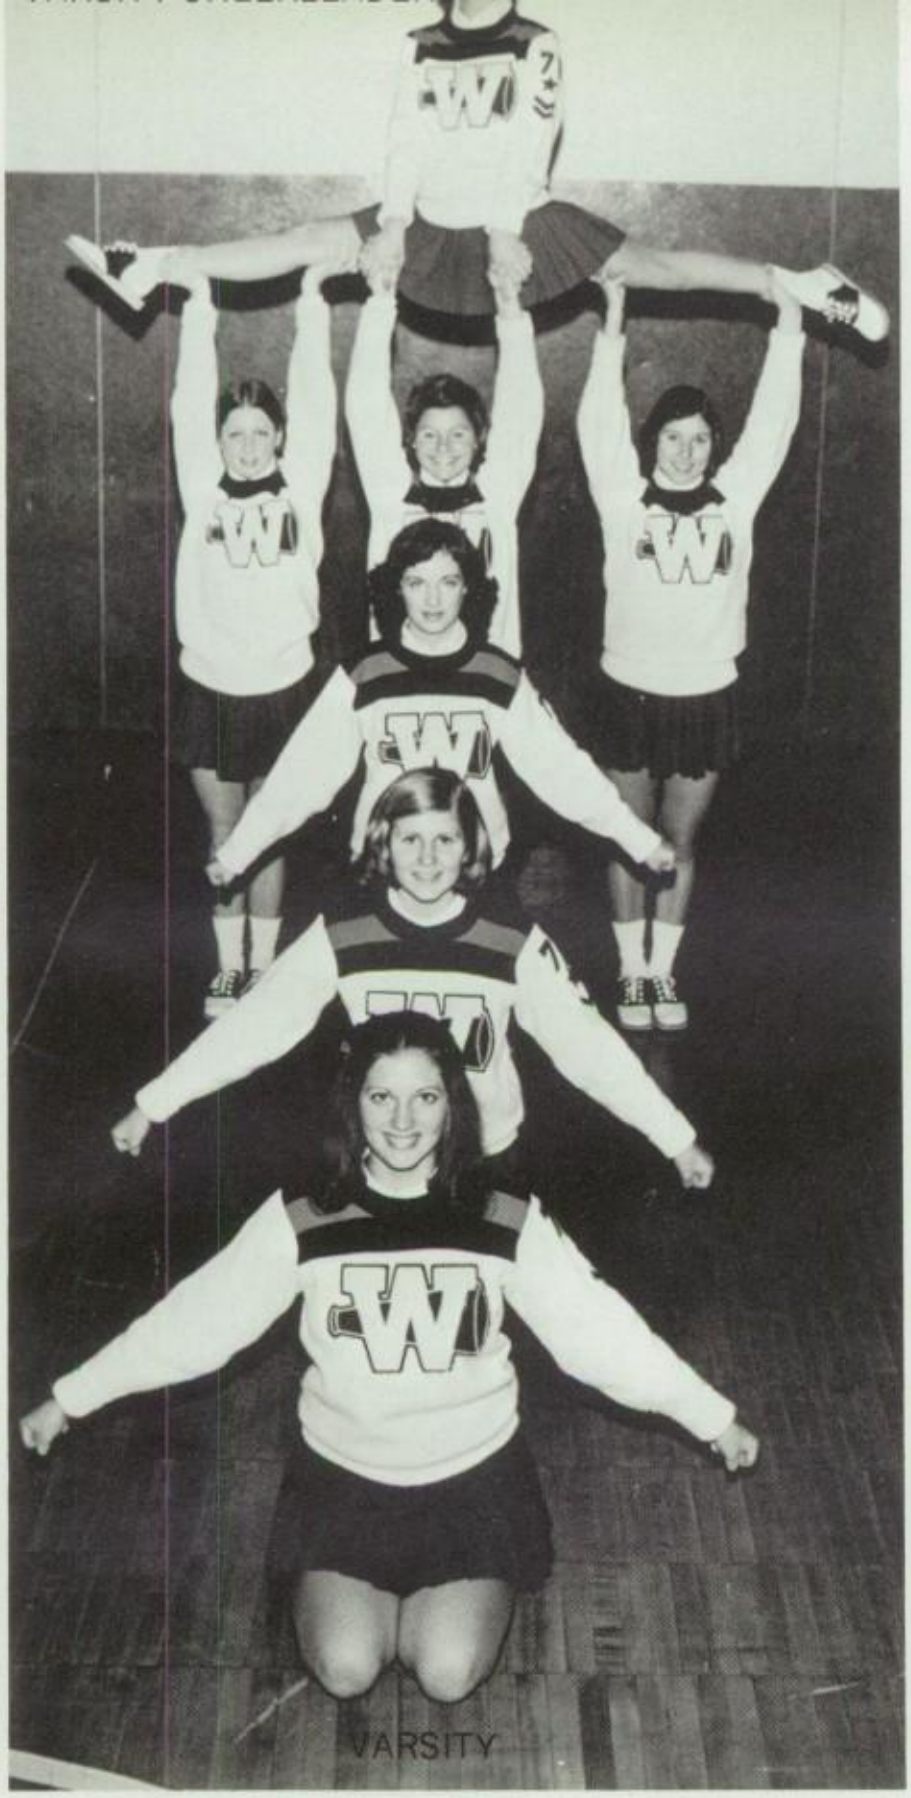
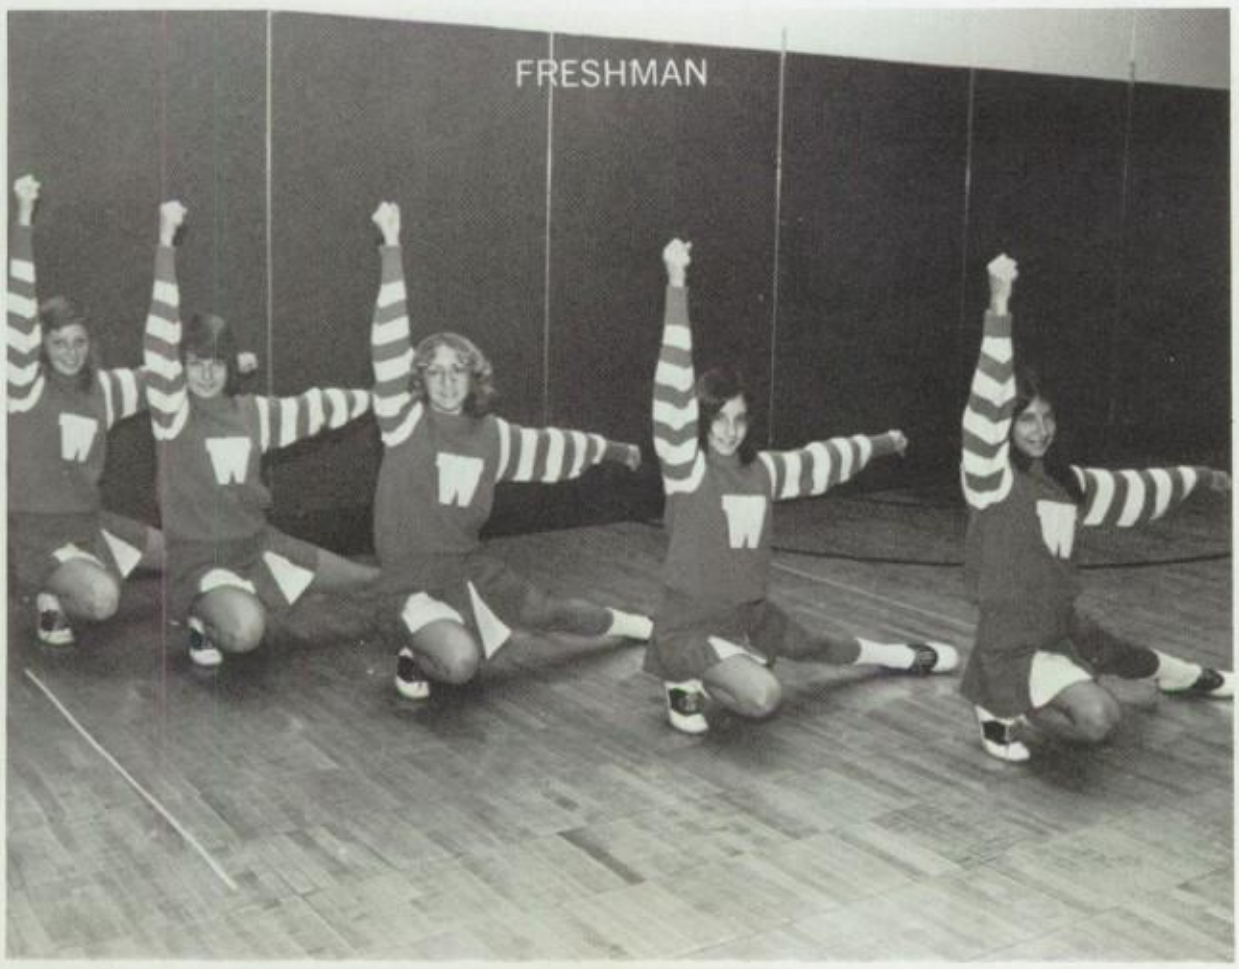
For first-year head football coach, Mr. Mike Grzebienowski, 1974 was a long season. The team lacked depth and skill with only nine seniors on the squad. The bright spot of the season was the fact that many returning underclassmen saw much action and gained needed experience for next season. THE VARSITY SQUAD included **(ROW 1):** Wayne Anderson, Don Osiniak, Mike Sorice, Tim Meenachan, John Ceglety, Chuck Housteau, Jim Farrant, Dave Martin, Bill Bowser. **(ROW 2):** Earl Hartman, Dan Hartman, Don Rodgers, Roger Linker, Paul Krasnasky, John Sarisky, Dave Cerimele, Dave Halt, Lenny Hall, Pete Crystal. **(ROW 3):** Mike Tarbet, Frank Rohrbaugh, Paul Mavrikis, Andy Lingenfelter, Lenny Morris, Glenn Graurich, Bob Polosky, Jim Griffith, John Fedelia, John Sandy. **(ROW 4):** Jim Mikita, Tony Pasquine, Dave Jupp, Rick Demesko, Lee Day, Joe Farina, Frank Stefan, Jim Colella, Bill Wilson, Carl Galterio. **(ROW 5):** Mark Cartwright, Russ Jennings, Jim Jerek, Pat Fautsino, Jack Vagas, Art Williams, Rick Franko, Jim Osborne, Tom Griffith, Ray Markara.

THE FRESHMEN SQUAD to the left showed much potential posting a 4-4 mark under Coaches Gerald Soich and Charles McCabe. Members of the squad include **(ROW 1):** Coach Soich, Ed Yarb, Tim Baker, Nick Conti, Frank Butchko, Jim Pasquine, Don Fuzer, Ron Galterio, Mark Anness, Frank Nagy, Harry Bowser, Jim Roman, George Leach, and Coach Charles McCabe. **(ROW 2):** Vince Zupo, John Hudak, Mike Packner, George Martin, Tony Gorvet, Rick Snyder, Mike Roberts, Joel Armile, Morris Day, Rudy Frazzini. **(ROW 3):** Gary Halt, Tony Sandy, Jim Harding, Bob Bartos, Frank Esposito, Nick Motosko, Chuck Motosko, Ron Alberta, Joe Valentine. **(ROW 4):** Don Creque, Bill Jarvis, Jim Stickel, Sam Haynie, Tim Higham, Jim Bartos, Don Geras, Bruce Person, Tom Menosky, Tony Frank.

MEMBERS OF THE COACHING STAFF to the left include **(ROW 1):** Gerald Soich, Mike Grzebienowski, Charles McCabe. **(ROW 2):** Gilbert Prokop, George Senedak, Larry Frangos, John Tullio.

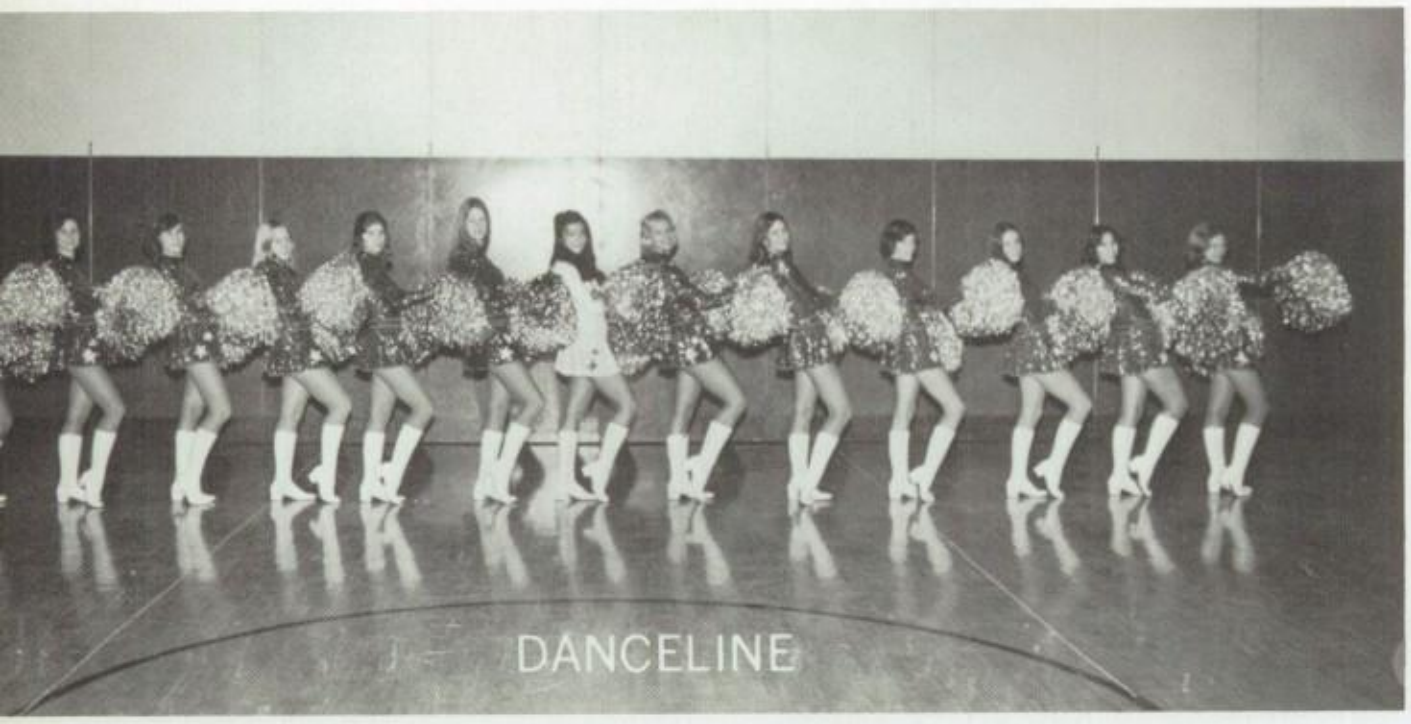




Whether on a freezing football field or a hot gym floor, the CHEERLEADERS were always on hand to psych both fans and players for a game. They joined the Pep Club members in decorating the halls before the games. They even travelled to YSU to help in the 'psyching' up there. The VARSITY included **(KNEELING):** Nancy Hrusovsky, Jane Goske, Maureen Zelina. **(STANDING, LEFT TO RIGHT):** Janet Bosko, Lisa Overly, Patty Keller, and topping the pyramid, Captain Brenda Kilgore. SENIOR VARSITY members shown with Advisor Mr. Thomas Krispli were Captain Brenda Kilgore in the foreground, and in the background **(LEFT TO RIGHT):** Patty Keller, Nancy Hrusovsky, and Jane Goske.

The JUNIOR VARSITY members included **(ROW 1):** Debbie Martino, Karen Kacenga. **(ROW 2):** Mary Ann Riccardulli, Cathy Chuhanic, and on top, Leanne Vaughn.

The FRESHMAN SQUAD included Judy Katcher, Alexis Pasvanis, Jamie DiSalvo, Debbie Popovnak, Patty Osiniak.



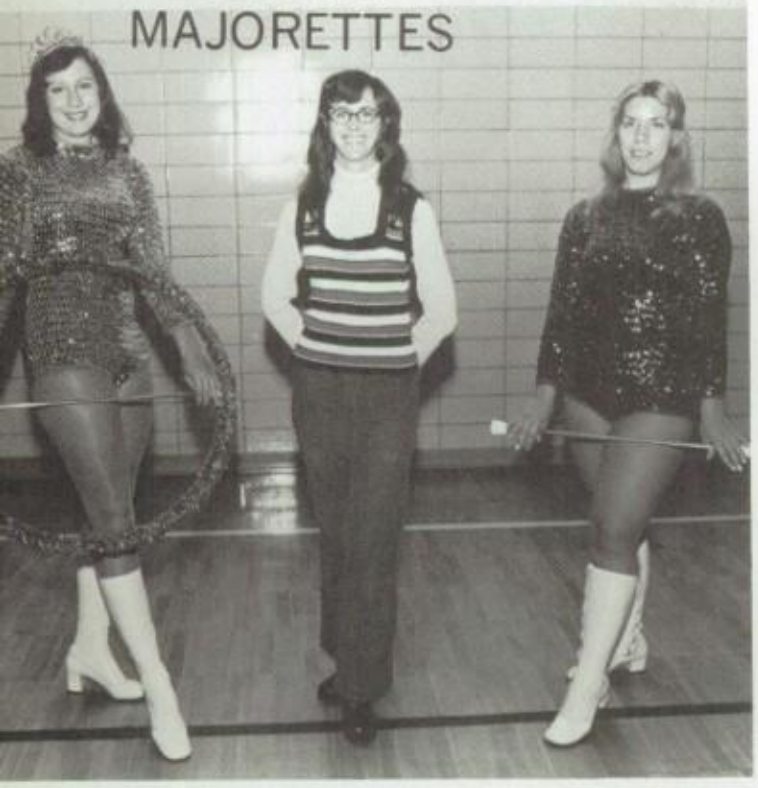
DANCELINE

Although entertaining fans at halftime was their chief concern, our DANCELINE was very active elsewhere during the past year. The girls performed at a Canfield Fair talent show, paraded during the opening of Youngstown's Federal Mall, and defeated the cheerleaders and majorettes during a sell out basketball game. Summer months were used for car washes and bake sales to raise money for their uniforms and other expenses. Members include: Rose Calzo, Ruth Dressel, Sherel Macinga, Sue Frazzini, Bonnie Hibbard, Nancy Yarb, Donna Diorio, Linda Hruska, Kathy Yarb, Connie Moore, Pam Graurich, Fran Congemi, and Jeanne Sandy. SENIOR DANCELINE members are: **(FRONT):** Nancy Yarb and Donna Diorio. **(BACK):** Rose Calzo, Ruth Dressel, Fran Congemi, Advisor Miss Davis, Linda Hruska, Bonnie Hibbard, and Connie Moore.

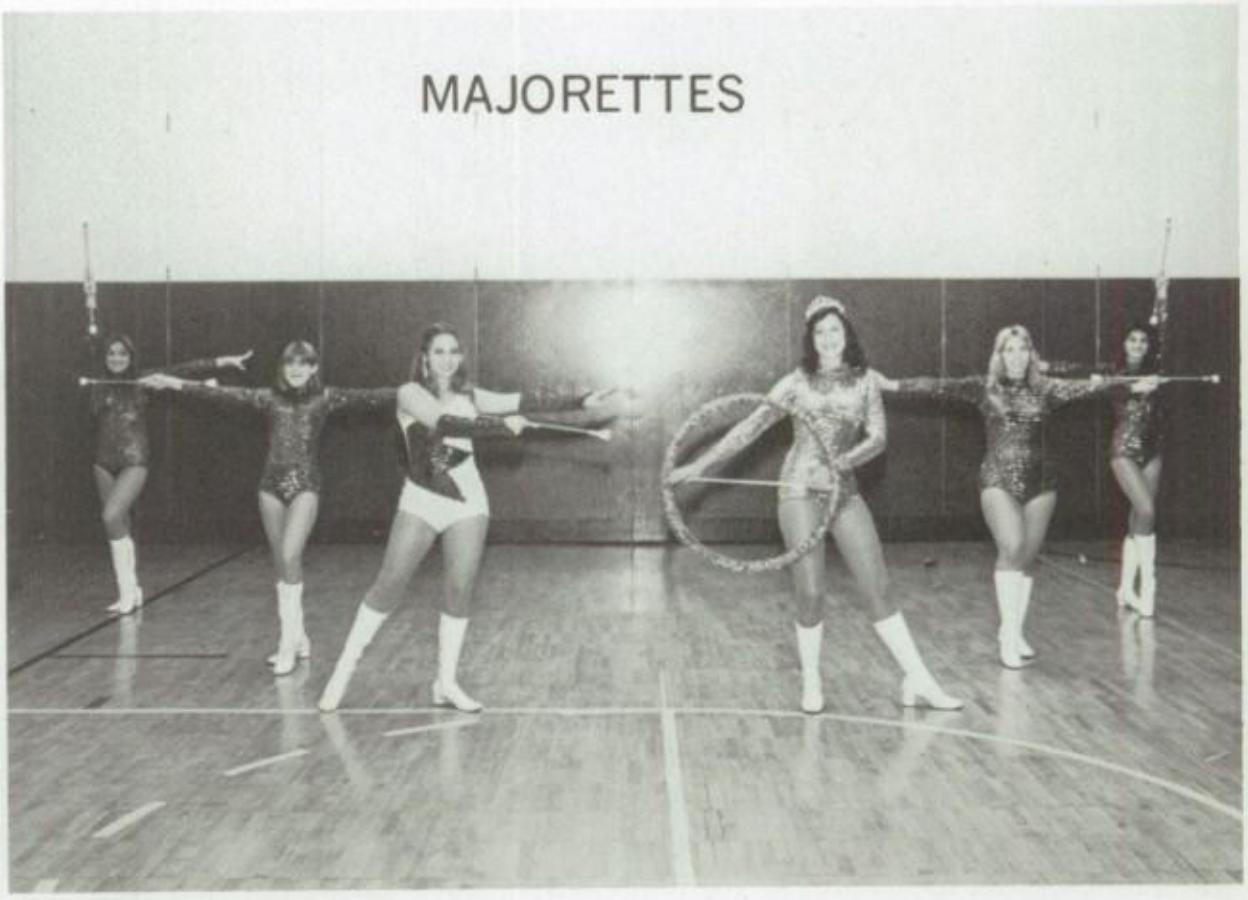
SENIOR DANCELINE

Our 1974-1975 MAJORETTES were the first to bring honors to Wilson in this field. The girls performed at games and pep assemblies and also competed in National Majorette Camp competition last summer. In individual events, members received many first, second, third, and fourth place awards. Overall the group placed fourth with 75 schools in the competition. Majorettes pictured below are: Cindi Myers, Cindy Butchko, Linda Goldich, Lorilee Thomas, Mary Sue Speziale, and Lori Rinehart. Majorette advisor, Mrs. Linda Prachick, is pictured with seniors, Lorilee Thomas and Mary Sue Speziale.

SENIOR MAJORETTES

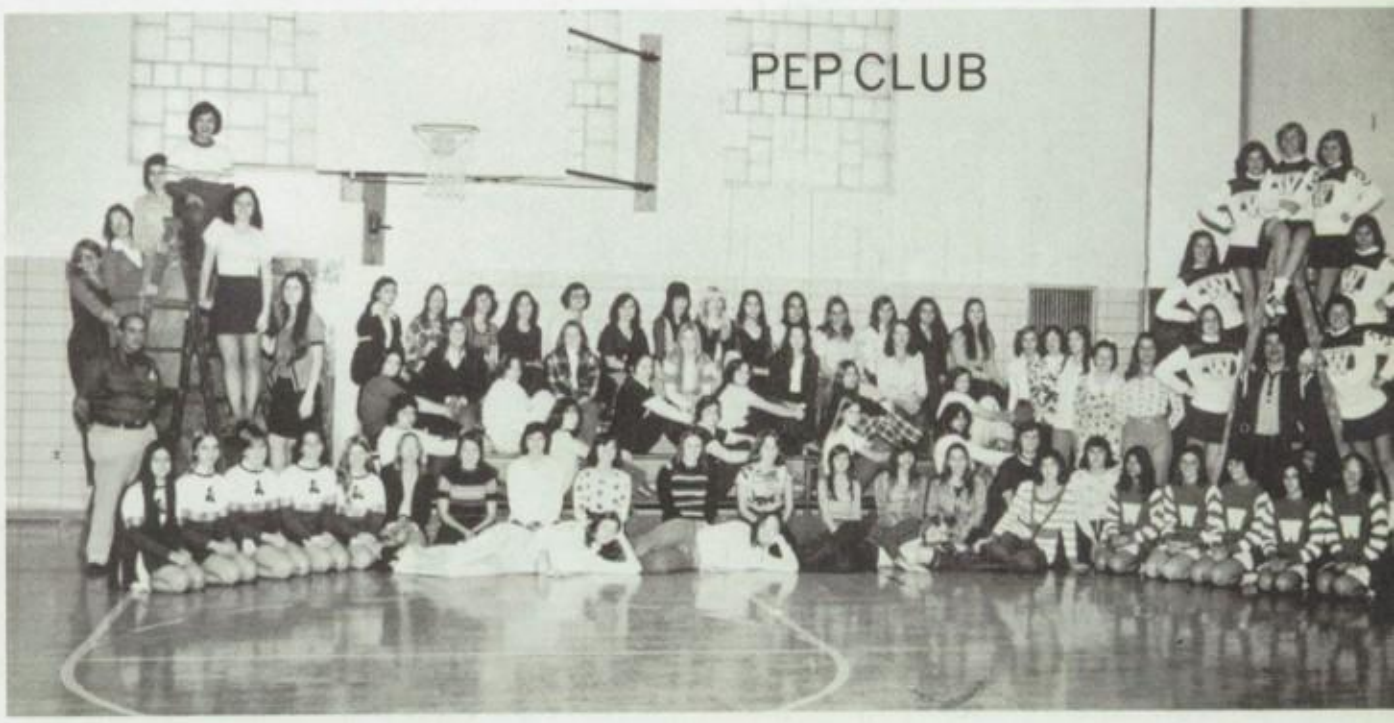


MAJORETTES



STUDENT CONGRESS had a busy year. They sponsored numerous dances after basketball games, the Homecoming Dance, and they also redrafted the Student Congress Constitution. Many Council members were also involved in outside activities. Student Council President Sam Cumbo was an active member of the Citywide Consumer Protection Council. Student Congress members are: **(FRONT):** Chuck Rogers, Mark Holan, John Hudak, Dave Jupp, Paul Mavrikis, Wayne Anderson, Tony Linebaugh, Glenn Graurich, Sam Cumbo. **(BACK):** Advisor Miss Stephanie Hrycyk, Dave Kana, Lois McCausland, Nancy Yarb, Sandy Leonelli, Diane Kilgore, Karen Kacenga, Bonnie Hibbard, Kathy Chiarello, Connie Moore, Beth Anderson, Kathy Yarb, Carol Sharky, Ruth Stanislav, Fran Congemi, Linda Hruska, Maureen Belcik, and Advisor Mr. Tom Krispli. COUNCIL OFFICERS are: Glenn Graurich—Vice-President, Sam Cumbo—President, Sandy Leonelli—Treasurer, and Nancy Yarb—Secretary.

The Wilson GOLF TEAM, a very active group during the fall months, competed after school with their home base at the Stambaugh Golf Course in Youngstown. The six-member team entered competition at Avalon Lakes Golf course, where they were named best in the city of Youngstown. In city competition they placed second. Pictured with Coach Gary Woods are team members: Dan Carrissimo, Fred Kirschner, Gene Woloshyn, Greg Vrabel, Vince DiMartino, and Ben Strawinski.



Fridays at Wilson would not be Fridays without gaily painted "Go Redmen!" signs plastered on the walls with red and white crepe paper draped through the halls. Everywhere, the PEP CLUB had left its mark decorating the school and promoting school spirit.

Wilson students participated in a mock election on Tuesday, November 5, to compare student preferences with the state and local voting results.

A new course, the Science Seminar, has been added to our Science Department this year. None other than Mr. Pete Anania is the instructor which is open to seniors only.

Did you know that the WILSONIAN was once the name of our yearbook? In 1929 when Wilson was a junior high only, the WILSONIAN was published in paperback form consisting of 48 pages.

"I've never seen so many petitions in my life," Mr. Fabry continued. Always politically active, the class had a mock election in November, arranged for Governor John Gilligan to speak at a senior assembly, and set up voter registration to get more 18-year-olds involved in city government. They also editorialized on amnesty, capital punishment, the adoption of Vietnamese orphans, even on former Governor Gilligan, the candidate.

Aware of the recession and unemployment, many were enrolled in work experience programs. Out of a class of 400, 19 were in DE, 25 in COE, 48 in OWE, and 160 attended Choffin. One survey revealed about half of the class were either going directly to work or to a technical school after graduation. The remainder were college bound, majoring in business, accounting and the medical fields.

good-bye to our friends

Miss Rosemarie Walsh, pictured above, retired in June after 32-1/2 in the teaching profession. Twelve of these years were spent at Wilson teaching both English and Latin. After retiring, Miss Walsh plans to travel and see everything she hasn't seen yet. Also, she plans to catch up on her painting, gardening, reading, and eating. She summed up her teaching career in one word, "Enjoyable," probably the same word her students would use to describe her. Miss Walsh will long be remembered for her exciting ghost stories and tales of Ireland. But most of all, her pupils will remember a very understanding lady.

At the far left, Mr. Gary Woods left Wilson after four years on the faculty. A member of the math department and coach of the golf team, Mr. Woods became a Visiting Teacher on the Cardinal Mooney Faculty. Mr. Richard Hovanec, keeper of the bookroom, is pictured with his crew at the bottom of the page. He joined the Ursuline faculty as a guidance counsellor after having taught Senior Science, General Science, and Ecology at Wilson Since 1965.

To Miss Walsh, Mr. Woods, and Mr. Hovanec, our sincere best wishes.

ALL SCHOOLS HAVE a small group of people who always manage to be just where they are needed most and somehow, they manage "to hold it all together" for the rest of us. You can find them selling felt tip pens and notebooks, adjusting temperatures and straightening desks, or announcing that the Chess Club meeting has been postponed.

At Wilson, this group includes:

A. KEY CLUB SUPPLY STORE CREW: Sid Cowan, Dave Jupp, Jim Jarvis, Jim Danko.
B. CUSTODIAL STAFF: Antonio Infante, Steve Vekasy, Steve Gleydura.
C. CAFETERIA STAFF: Vi Kanos, Alice Lisomore, Dorothy Gailey, Mary Suhre, Helen Kleeh, Naomi Hawks.
D. CLEANING BOYS ASSOCIATION: John Timms, Kalman Adorjan, Tony Arquilla, Jim Plunkett, Dave Policy, Ken Summers.
E. OFFICE AIDES: The girls who give up their free periods to type, file, answer the phones, collect cut slips, distribute and collect tons of mail and messages each year, and also track down all "the missing persons."
F. STELLA STEFANEC: The lady who brings order out of all the chaos of the publications room.
G. CONSOLE OPERATORS: Gene Woloshyn, Lesa Davis, Kim Peplow.
H. CAFETERIA AIDES: Tammy Zoldak, John Boquist.
I. PAINTING CREW: Louis Thomas, John Scaramussino, Wilbur Johnson, Steve Guerriero, Gene Berasi, Pat Ravotti.

Because of their lack of height, Redmen cagers suffered through the '74-75 season with a disappointing 3 and 14 record. They had a glimmer of hope at season's end, only to bow out of Class AAA Tournament to top-seeded Boardman. But the highlight of the season was excitement of games against arch rival Chaney where they split the series one apiece. The team played to its best capabilities, at times bringing great excitement to fans. VARSITY players included **(LEFT TO RIGHT)** Bruce Magianetti, Vince DiMartino, Clancy Cipkala, Dave Davanzo, Gary Bernard, Greg Kosec, John Boggs, Jack Vagas, Jim Jerek, Jim Braydich, Gary Muntean, Brian Meenachan.

a time for pictures, copy
a time for layouts, deadlines,
a time for . . .

A New Look—Record

Our theme, "a time for everything," did not fit production at all. We never seemed to have enough time—for sales, copy, layout; taking pictures despite rain, snow and elections. Pictures were finally snapped, but not until new poses were thought of, new locations found. When deadlines rolled around, we had to find that little extra time. This was a time for firsts: with record sales, a larger book with special effects was possible. Student artist Mike Tenney designed the first original cover based on our title and theme. It was the first yearbook for Advisor, Miss Dorothy Clark.

The staff included—**TO THE TOP, LEFT:** Editor Gina Andino and Business Manager, Fred Woak. **LOWER LEFT:** Mike Tenney in the foreground in discussion with the editorial staff: Fred Woak, Barbara Janesh, Mary Ruth Stickel, and Sheila Swanson. **TO THE RIGHT, CENTER:** conferring on sales are Barbara Baran and Sandy Pizzoferrato, seated. **IN THE BACKGROUND:** Cindy Spagnola, Kim Bowser, Penny Wayland, Janet Fonner, Debbie Wingo. **AT THE FAR RIGHT:** Business Manager, Don Marrie; Layout Editor, Barbara Janesh; Linda Calabrette; and John Vivo, Advertising Editor and Book Sales Manager. **AT THE LIGHT TABLE BELOW:** Mary Ruth Stickel, photography staff; Carolyn Notareschi, Photography Editor; Sheila Swanson, Photography staff. In the driver's seat of the truck is Business Advisor, Dominic Falgiani. The Business Staff included Don Marrie and John Vivo, kneeling. **SEATED:** Sheila Swanson, Linda Calabrette, Lois Sopko, Sandy Pizzoferrato, Barbara Janesh, Mary Ruth Stickel. **STANDING:** Debbie Wingo, Janet Fonner, Cindy Spagnola.
Underclassmen not pictured who aided in production were Julie Kana, editorial staff; Tony Linebaugh, Kris Beil, Laura Deraud, and Connie Valko, sales campaign.

We Made

One down and one to go.

Is it in the center?

Did she make it?

WOULD YOU BELIEVE? at last . . . at long last, we had made it to high school . . . Oh the agony of that first day . . . Just the thought of getting from one class to another in only four minutes . . . they're all out to get us . . . It just seemed impossible . . . seeing all the kids running about . . . everyone doing his own thing . . . We thought we knew just what Grand Central Station must have looked like . . . Grade school was never like this . . . From plain, simple, ole grammar to THE OUTSIDER, THE PIGMAN, even ROMEO AND JULIET . . . From the time tables to algebra . . . and from general science to biology . . . And remember the Stanford Task Test we took in English . . . first in October, then a repeat performance in May? But each class has something special to boast about . . . Our freshman basketball team was the greatest in the history of the school . . . And we had another first . . . this one for the girls . . . For the first time, the girls participated in varsity track.

Yes, ah yes, '75 was a really good, good, year.

The Class Of '77, Small

BULLETIN: THE CLASS of '77 made a grand slam in the successful ALSAC drive. Sixty-five per cent of participating Wilson students were sophomores giving the school a first-place runners-up rank for the local district. FLASH: SOPHOMORES GOT IT all together again for field trips. Some visited the YSU Planetarium; all journeyed to the Choffin Career Center during the wintriest week of the year. But the Florida trip was the one everyone wished he could have been on. Miss Davis's tenth-grade biology students worked hard on money-raising programs. They sold candy, stationery, and Christmas placemats. The bake sales, car washes, and junk sales were a little of the fun, but the best part was leaving on May 1, en route from Pittsburgh to Orlando, Florida, then on to the Cypress Gardens, Disneyland, and Cape Kennedy. And another of their great projects was the Language Fair on February 13. Promotion of languages and designing of booths and costumes—mainly by the tenth-grade students. The small class of '77 really knew how TO GET INVOLVED.

All right, where's the music???

Suzy Homemaker?

But the sign said EXIT!

THERE IS A class ring on a once empty finger. History courses have come to an end. For some, there will be no more English assignments. Choffin students have completed their first year of home economics in the new Jr. Sr. Non-Major program. This junior year was a busy one. There were field trips to City Hall, YSU Planetarium, Goodrich Mansion, Republic Steel, WBBW, and Commercial Shearing, and dinners for the IOE girls. Campaigning, working at the election polls, and helping at party headquarters were part of the history program for some. Polk Day celebrations yielded parties and a Polk Day Queen and King. And someone was always trying to sell a candy bar for a worthy project. The PSAT test was taken by many. College representatives spoke to students planning to continue their education. And then there was the National Honor Society. And finally, the last high school schedule was filled out. The junior year was the last hurdle to be jumped, the last bridge to be crossed, the last race to be run. And there we were—at the top—finally!

COE

COE students attend school until 11:30, then go to work at various offices throughout the city. "They learn through experience." This year, Dalene Jacobs was the B.O.E. Queen both in the Youngstown School System and at Salt Fork Lodge where the class enjoyed their annual convention. Darlene will enter state competition in August. In addition, the girls had a luncheon at the Mansion where their employers were their guests. COE OFFICERS pictured above are Karen Walsh, Secretary; Terri Lissimore, President; Maria Serrano, Treasurer; and Darlene Jacobs, Vice-President. BEGINNING SECRETARY

THE BEGINNING SECRETARIAL course is structured to train girls for participation in the COE program in their senior year or for advanced secretarial work. The classroom experience is similar to an actual office routine where students learn typing, dictation, filing and other skills needed for office work. As part of their course, members of the class went on a field trip to Commercial Shearing. Pictured above are Advisor Miss Mary Louise Clark and officers Tammy Proverbs, Treasurer; Anita Kennedy, Secretary; Mary Anne Ambrosio, Vice-President; and Linda Terlecki, President. Members of the class pictured to the left are: Carol Stockdale, Mary Anne Ambrosia, Debbie Anderson, Cindy Poszust. **(ROW 2):** Anita Kennedy, Mary Jane Tropepe, Cindy Ford, Patty Parrish. **(STANDING):** Nancy Baran, Michelle Jacobs, Christine Perod, Lee Ann DeMain, Elaine Dingey, Denise Bernhard, Christine Drapcho, Cristina Grimm, Karen Beil, Tammy Proverbs, and Linda Terlecki.

Y-TEENS is an organization which is affiliated with the YWCA. Open to girls on all grade levels, members hold meetings both at school and at the "Y." Topping their social activities this year was the winter formal held in December. In the spring they joined other members in a city-wide rummage sale to raise money for the "Y." Some members of Y-TEENS are pictured at the right.

JUNIOR ACHIEVEMENT

The size of the picture is some indication of JUNIOR ACHIEVEMENT'S popularity with Wilson students. The J.A. program offers high school students the opportunity to organize their own miniature companies and to assume the responsibilities of its management. Achievers meet once a week from 7 to 9 P.M. at the J.A. Center on Market Street where they learn, from first-hand experience, about the organization of corporations, production methods, sales, and administrative duties, and finally about the liquidation of companies. Although Junior Achievement means "business," Achievers find time to socialize with area students and to involve themselves in other J.A. activities, such as the annual J.A. Trade Fair and the Future Unlimited Banquet.

GIRLS'
BOWLING TEAM

To the left is the newly organized WILSON GIRL'S BOWLING TEAM. Members invaded the Holiday Bowling Lanes every Monday after school. Mr. Eugene Putko advised the girls and generally helped them with their games. According to a few reports in the REDMEN REVIEW, some had the usual beginners problems—forgetting to let go of the ball or dropping some balls behind the foul line. But gutter balls decreased as the season went on. Some interesting statistics: High Average, Sue Walsh—140; High Game Actual, Sue Walsh—208; High Game Handicap, Michelle Simon—252.

SCIENCE CLUB

SCIENCE CLUB students are interested in science beyond the classroom situation. For example, small groups meet to discuss various areas of science—geology, astronomy, and meteorology. Members displayed their projects at the All-City Science Fair. Members include **(Row 1)** Sue Kalochoritis, Mr. Albert Guerrieri, Advisor; Jean Beene. **(Row 2)** Patty Egan, Gary Muntean, Alex Giambattista, Faye Somo, Joan Beene.

Members of the CHOIR, CHORUS and ENSEMBLES had a busy year under the leadership of Mr. A. P. Van Iderstine. Autumn festivities included a pie festival (with the usual pie-throwing climax) and a hayride. Proceeds from the piefest helped to finance a later trip to Ohio Wesleyan University Music Festival. In December, they presented the annual Christmas Concert where they were joined by alumni for some of their traditional melodies. Also during the holiday season, Choir members sang Christmas songs before the performances of SCROOGE, and during those last frantic moments before Christmas vacation, the scarlet-clad singers carolled in the halls.

To every thing there is a season, and a time
to every purpose under the heaven:
A time to be born, and a time to die; a time to plant,
and a time to pluck up that which is planted;
A time to kill, and a time to heal; a time to break down,
and a time to build up;
A time to weep, and a time to laugh; a time to mourn,
and a time to dance;
A time to cast away stones, and a time
to gather stones together; a time to embrace,
and a time to refrain from embracing;
A time to get, and a time to lose; a time to keep
and a time to cast away;
A time to rend, and a time to sew; a time to keep silence,
and a time to speak;
A time to love, and a time to hate; a time of war,
and a time of peace . . .

. . . And now a time for saying, "Thank you." This year, the Orion Staff worked long and hard to produce what we hope will be one of the finest yearbooks in Wilson's thirty-six volume history. Most members of the staff were new and inexperienced in the production of a yearbook. But with the help and understanding of our Advisor, Miss Dorothy Clark, we quickly 'learned the ropes of yearbooking' . . . and we also learned the meaning of the word "deadline."

I would like to thank my staff who made every page and every deadline go by a little more easily, and also for making their work and mine more enjoyable. We all are most grateful to Mr. Ken Brayer of Josten's American Yearbook Company and the photographers of Abey Studio Inc., especially Mr. James Wilson and Mr. Neil Baldelli, for their help and encouragement. We appreciate, too, the complete cooperation we received from our principal, Mr. Steve Fabry; Mr. Dominic Falgiani, our Business Advisor; and the faculty and students of Wilson High School.

Finally, we would like to give our special thanks to Miss Dorothy Clark, our Advisor, through whom our yearbook came into being.

Gina Andino
